

Absci Announces Pricing of Initial Public Offering

July 21, 2021

VANCOUVER, Wash., July 21, 2021 (GLOBE NEWSWIRE) -- Absci Corporation ("Absci"), the synthetic biology company unlocking the potential of proteins as next-generation therapeutics, today announced the pricing of its initial public offering of 12,500,000 shares of common stock at a public offering price of \$16.00 per share. All of the shares of common stock are being offered by Absci. The gross proceeds from the offering, before deducting underwriting discounts and commissions and other offering expenses payable by Absci, are expected to be \$200.0 million, excluding any exercise of the underwriters' option to purchase additional shares. Absci's common stock is expected to begin trading on the Nasdaq Global Select Market on July 22, 2021, under the ticker symbol "ABSI." The offering is expected to close on July 26, 2021, subject to the satisfaction of customary closing conditions. In addition, Absci has granted the underwriters a 30-day option to purchase up to an additional 1,875,000 shares of common stock at the initial public offering price, less the underwriting discounts and commissions.

J.P. Morgan, Credit Suisse, BofA Securities, Cowen, and Stifel are acting as lead book-running managers for the offering.
